Chimney Discussion

- Chimneys were swept mid-December, but units 11 and 12 did not pass due to the joints being separated. The HOA had
- Jacob and Brian have been working on getting quotes on for repairs / replacement for units 11 and 12.
- Brian stated that we really need to have all the units tested **and** cleaned. It turns out that not all had been cleaned and / or inspected. Some of the cost is on the HOA but the precedent has been set that owner have taken care of all the chimneys. Brian talked to the fireplace company, and they said in his unit needs to be completely replaced with a standalone stove.
- The board discussed that we should talk to the insurance company about furnishing the
- Sonja brought up creating a form that states if a unit burns or does not burn.

- Brian stated that we should look at amending the declarations to make the fireplace's "ownership" cleaner or making cleaning the responsibility of the owner.

The board tabled the declaration discussion to a further date.
